

## Grant Sources for Special Needs Kids

*All of Me Therapy has made every effort to provide high-quality and helpful grant information, but we cannot be held liable for errors or the quality of the grant sources. Information should be independently verified and confirmed.*

### **Promising Resources:**

**United Healthcare Children's Foundation-** Grants for medical-related services that have the potential to significantly enhance either the clinical condition or the quality of life the child and that are not fully covered by the available commercial health benefit plan. <http://uhccf.org/>

**Special Needs Assistance Program-** Modest grants for medical and therapeutic equipment, not covered by health insurance or in the case of no health insurance, throughout the United States, from birth to age 22. [www.snap4kids.org](http://www.snap4kids.org)

**Easter Seals-** Provides services to help children and adults with disabilities and/or special needs as well as support to their families. <http://www.easterseals.com>

**Federal Grant Wire-** 60 children's federal grants, government grants, and loans. <https://www.federalgrantswire.com/children-federal-grants.html>

**Administration for Children and Families Grants-** <http://www.federalgrants.com/Administration-for-Children-and-Families.html>

### **Other resources listed alphabetically:**

**Astra Zeneca-** Offers free medication to people who earn \$30,000 a year or less, or a family of four making up to \$60,000 a year. [www.astrazeneca-us.com/help-affording-your-medicines](http://www.astrazeneca-us.com/help-affording-your-medicines)

**Believe in Tomorrow-** Pediatric hospital housing and repite housing. [www.believeintomorrow.org](http://www.believeintomorrow.org)

**Blind Citizens-** Assistive Technology Fund (ATF) provides funds to cover 50% of the retail price of adaptive devices or software. [www.blindcitizens.org/assistive\\_tech.htm](http://www.blindcitizens.org/assistive_tech.htm)

**Different Needz Foundation-** Offers special needs families a one-stop shop to buy and sell their gently used medical and special needs equipment and adaptive toys. They also have a grant available to purchase such items as well. [www.differentneedzfoundation.org](http://www.differentneedzfoundation.org)

**Fans Across America-** Community of sports and entertainment fans committed to providing much needed financial assistance to families with seriously ill and special needs children. <http://www.fansacrossamerica.org/about>

**Friends of Man-** Grants for therapy, equipment, and other needs. Must have a sponsor such as an agency or social worker to apply. <http://friendsofman.org/>

**Giving Angels Foundation-** The mission of the Foundation is to assist special needs children with a physical disability or illness aged 21 or younger throughout the United States. The Foundation awards grants to lower income families to enhance the everyday life of the child. Funds are awarded on a case by case basis. <http://givingangelsfoundation.org>

**Grottoes of North America Humanitarian Foundation-** Helps cover the costs of dental treatment, including hospital and anesthesia costs when needed, for children with cerebral palsy, muscular dystrophy (and related neuromuscular disorders), organ transplant recipients or those with mental retardation. <http://hfgrotto.org/>

**Hands to Angels Foundation-**Grants to support the identification and eventual prevention of rare, genetic disorders, and to provide financial assistance to families coping with the many complications of these disorders. [www.angelhands.org](http://www.angelhands.org)

**Kiddie Pool-** Works as a fundraiser to help families raise money for special adaptive equipment. [www.adaptivemall.com/kiddiepool1.html](http://www.adaptivemall.com/kiddiepool1.html)

**Kya's Crusade-** Provides financial assistance for adaptive equipment and physical therapy, occupational therapy, and hippotherapy sessions. <http://www.kyaskrusade.org/info/programs-and-services/financial-assistance-program/>

**Morgan Project-** Provides resources, gently used disability equipment and small grants. [www.themorganproject.org](http://www.themorganproject.org)

**Partnership for Prescription Assistance-** Helps qualifying patients without prescription drug coverage get the medication they need through the program that is right for them. Many will get their medication for free or nearly free. [www.medicineassistancetool.org](http://www.medicineassistancetool.org)

**Quota Club-** Assists children with speech and hearing disabilities and underprivileged women and children. Local chapters across the country. <http://www.quota.org/>

**Sertoma (Service to Mankind)-** International organization that deals mainly with speech and hearing disabilities. <http://sertoma.org/>

**Small Steps in Speech-** Assists children with speech and language disorders by funding supplemental therapies and treatments for individuals as well as grants to charitable organizations who serve children with communicative disorders. <http://www.smallstepsinspeech.org>

**Sunshine Foundation-** Answer the dreams of chronically ill, seriously ill, physically challenged and abused children, ages three to eighteen, whose families cannot fulfill their requests due to the financial strain that child's illness may cause. [www.sunshinefoundation.org](http://www.sunshinefoundation.org)

**Variety Children's Charity-** Help kids gain mobility, confidence, freedom, independence, and the chance to join in the life of their community by providing funding for walkers, wheelchairs, specially-designed adaptive bikes, strollers, prosthetic limbs, and other devices to families with the most need. <http://usvariety.org/>

**Zane's Foundation-** Provides financial support to families of special needs children through funds designated for respite care, therapies, or other assistive equipment. [www.zanesfoundation.org](http://www.zanesfoundation.org)
